Eb B Eb B x 2

Eb B
She's got that look in her eye again
Eb B
The one that says she's gonna cry again
Eb B Eb B
And so I told her, I just don't know what to do
Eb B Eb B
She said, I'm frozen by the fear, and you are never here,
Eb B Eb B
to see how much it controls me

Eb B Db
Eb B Db

Eb B
She's got that sound in her voice again
Eb B
The one that says she is sad again
Eb B Eb B
And I don't even know why, no matter how I try
Eb B
She says it's driving me insane
Eb B
cause you just can't see the pain
Eb B Eb F
And I'm falling down, I'm falling down

Eb Db B Bb Db
black rain is poundin in her brain,
Eb Db B Bb Db
its knockin on her door,
Eb Db B Bb Db
it brings her to her knees
B Db Eb
and its takin a little bit more (of her lately)
B Bb Db Eb
and its taken a little bit more

Eb B
So I took her to the doctor and he put her on some pills,
Eb B
Said take these one time daily they'll shake of all your ills
Eb B Eb B
and she looked at him so sweetly
Eb B Eb B
She got a sparkle in her eye and I found out too late why
Eb B Eb F
The black rain is coming down

Eb Db B Bb Db
black rain is poundin in her brain,
Eb Db B Bb Db
its knockin on her door,
Eb Db B Bb Db
it brings her to her knees
B Db Eb
and its takin a little bit more

Eb Db B Bb Db
black rain is poundin in her brain,
Eb Db B Bb Db
its knockin on her door,
Eb Db B Bb Db
it brings her to her knees
B Db Eb
and its takin a little bit more
