**C# B F#**  
I'll give you everything I can, and I hope you will like it

**C# B F#**  
I'll take a time out just to listen, to you

**C# B F#**  
If I took all of the things you say, to heart

**C# B F#**  
I couldn't give you all you want

**C# B F#**  
I didn't ask for this to happen

**C# B F#**  
It kinda fell in my way

**C# B F#**  
I wouldn't change it for anything more

**C# B F#**  
You mean everything to my day

**F7**  
There's something in between

**D#m**  
I'll find out what it means

**C# B F#**  
Won't you come and help me look

**F7**  
There probably will be, stuff you don't want to see

**D#m**  
So I apologise for all that now

**C# B F#**  
And I say, try to relax for a while

**C# B F#**  
Relax for a while

**C# B F#**  
Relax for a while

**C# B F# (repeat until end)**
