**Gm Eb Gm Eb**

**Gm Eb**  
Shiver with all what you've got  
**Gm Eb**  
I don't know why you find it hard to do  
**Gm Eb**  
Just take a big look at what you've got  
**Em Eb**  
When I'm with you

**Gm**

Take ten steps back and try to remind yourself  
**Eb**  
of the messed up lives we lead  
**F Em**  
Trying to live each day as they batter us  
**Gm Eb**  
Betting on you was the last chance that I thought I'd take  
**F Em F**  
It was the three fruits of nature that just didn't line up

**Gm Eb**  
Shiver with all what you've got  
**Gm Eb**  
I don't know why you find it hard to do  
**Gm Eb**  
Just take a big look at what you've got  
**Em Eb**  
When I'm with you

**Gm**

Take five steps forward and try to remind yourself  
**Eb F**  
Are you sure what you heard do you know what you heard  
**Em**  
Getting it wrong can only mess things up  
**Gm Eb**  
Living off me was the last thing, that you'll ever do  
**F Em**  
Because forgiving is not the easiest thing, for me to do

**Gm Eb**  
Shiver with all what you've got  
**Gm Eb**  
I don't know why you find it hard to do  
**Gm Eb**  
Just take a big look at what you've got  
**Em Eb**  
When I'm with you

**Gm**  
Shiver with all what you've got  
Shiver with all what you've got

**Gm Eb F Em**  
**Gm Eb F Em**

**Gm Eb**  
Shiver with all what you've got  
**Gm Eb**  
I don't know why you find it hard to do  
**Gm Eb**  
Just take a big look at what you've got  
**Em Eb**  
When I'm with you
