**C#m D#m G#m**  
**C#m D#m G#m**

**C#m D#m G#m**  
Saying it's better in than out

**C#m D#m G#m**  
Minding his own is how it's brought about

**C#m D#m G#m**  
Left all the pieces in his tiny wake

**C#m D#m G#m**  
Above and beside is where he spends his days

**C#m D#m G#m**  
Looking to find a meaning, doesn't know what to believe

**C#m D#m G#m**  
When it's late at night, and the flame ignites

**C#m D#m E D#m**  
He was suffocated by the sun

**C#m D#m E**  
Suffocated by the sun

**C#m D#m G#m**  
**C#m D#m G#m**

**C#m D#m G#m**  
Now here comes the next day, something's changed

**C#m D#m G#m**  
Thru no fault of his own, now things are re-arranged

**C#m D#m G#m**  
Pickin up the pieces but not out right

**C#m D#m G#m**  
Remaining the same all day, Afflicted by the nights

**C#m D#m G#m**  
Looking to find a meaning, doesn't know what to believe

**C#m D#m G#m**  
When it's late at night, and the flame ignites

**C#m D#m E D#m**  
He was suffocated by the sun

**C#m D#m E**  
Suffocated by the sun

**C#m D#m E F# G#m F# E**

**C#m D#m E F# x 4(ish)**
