Am Bm Am G

Am Bm
Let's take our time, to make things right

Am G
I know this when I see your face

Am Bm
But each time you leave, I'm just left with me

Am G
Troubled with an empty space

Am Bm
Unable to concentrate, desire to contemplate

Am G
The future that lies ahead

Am Bm
It's an ambitious thought, Easier said than done

Am G
One that I can't forget

G Am Bm C Bm Am G
Keeping ourselves to ourselves

G Am Bm C Bm Am G
We got who we need right here

Am Bm C Bm Am G
Time will pass oh so fast

G Am Bm C Bm Am
As long as we're happy, who cares

Am Bm Am G

Am Bm
I've been searching to find, Your kind of mind

Am G
I can't be too sure, But I know I want more

G Am Bm C Bm Am G
We'll take each day, one by one

G Am Bm C Bm Em D
We're on our way, to see each other

Am Bm C Em D C
We're facing the same way, heading towards a light

Am Bm C
Don't look back, don't look back

Em D C
I'll meet you when it's time

Am Bm Am G

We're facing the same way, heading towards a light

Am Bm

Don't look back and try, to move faster

C D Em D C

I'll meet you when it's time

C D G

I'll meet you when it's time
