Em C Em C x2

Em **C**
She's got that look in her eye again
Em **C**
The one that says she's gonna cry again
Em **C** **Em C**
And so I told her, I just don't know what to do
Em **C** **Em** **C**
She said, I'm frozen by the fear, and you are never here,
Em **C** **Em** **C**
to see how much it controls me

Em C D
Em C D

Em **C**
She's got that sound in her voice again
Em **C**
The one that says she is sad again
Em **C** **Em** **C**
And I don't even know why, no matter how I try
Em **C**
She says it's driving me insane
Em **C**
cause you just can't see the pain
Em **C** **Em** **F#**
And I'm falling down, I'm falling down

Em **D** **C** **Bm D**
black rain is poundin in her brain,
Em **D** **C** **Bm D**
its knockin on her door,
Em **D** **C** **Bm D**
it brings her to her knees
C **D** **Em**
and its takin a little bit more (of her lately)
C **Bm** **D** **Em**
and its taken a little bit more

Em **C**
So I took her to the doctor and he put her on some pills,
Em **C**
Said take these one time daily they'll shake of all your ills
Em **C** **Em** **C**
and she looked at him so sweetly
Em **C** **Em** **C**
She got a sparkle in her eye and I found out too late why
Em C **Em** **F#**
The black rain is coming down

Em **D** **C** **Bm D**
black rain is poundin in her brain,
Em **D** **C** **Bm D**
its knockin on her door,
Em **D** **C** **Bm D**
it brings her to her knees
C **D** **Em**
and its takin a little bit more

Em **D** **C** **Bm D**
black rain is poundin in her brain,
Em **D** **C** **Bm D**
its knockin on her door,
Em **D** **C** **Bm D**
it brings her to her knees
C **D** **Em**
and its takin a little bit more
