Lookin back how far you've come

Doin it without a care

So take on board
D   Em
How it's done

Once you know where you're goin

Things are gonna get done

   Em   **Bm**
If I started in the middle and worked my way out
    Am   **D**
I shoulda, always known where I was
 Em   **Bm**
I didn't wanna know what I couldn't figure out
    Am   **D**
I'll have to take another lesson because

   Em   **Bm**
It was, too late to wonder how I could of spent my day
Am   **D**
Sittin in silence, puttin my thoughts away
Em   **Bm**
Being so cold, being so cold
Am   **D**
I don't wanna find myself being old
    -
I gotta take on board just how it's done
I'm lookin for my place to be gettin all the sun
I know that it's somewhere, I'm gonna have to find
The answers to the questions that are floatin in my mind
    Em   **Bm**
Like how long will it be before I get my break
   Am   **D**
It seems like there's not enough time
 Em   **Bm**
I want a big old house with a little old lake
    Am   **D**
So what I gotta do is climb

     Em   Am
You gotta take on board
D   Em
How it's done
Em   Am
Once you've got a direction
D   **Em**
Things are gonna get done

 Am
Believe me when I say
D   **Em**
I'm gonna make sure I'll take you higher
    Am
Leave behind all your troubles
D   **Em**
Come and let me take you higher

    Am   D
If you dare, I'll be there
     Em   D   Am
To make sure you don't fall
