Am Em F Em Am

Am Dm Am Dm x2

Am C

Stop and take a look around

Dm Em F

Take it all in, for the way that you've been

Am C

Is not how it's done in my own right

Dm F

Put down your weapons, i'm not lookin for a fight

F G Am

I see all of the things that make you win

F G Am

Gravity pulls on everything

Am Dm

Whatever comes up, must always come down

F Am

You think that rules were made to be broken

Am Dm

Whatever comes up, must always come down

F Am

You think that rules were made to be broken

Am

But not this one, not even by you

Am

no no not this one

Am C

You might think, you're on easy street

Dm F

It's not as easy as it looks, and you're about to find out, you'll see

Am C

Don't make me hate you, but I fear it's too late

Dm F

You took the last of it, don't want you to return it

F G Am

Have you any idea or does that depend

F G Am

You need to think before speaking and care if you offend 'cos

Am Dm

Whatever comes up, must always come down

F Am

Those words that you say, leave them unspoken

Am Em F Em Dm

No no no no no, no not this one

Am Em F Em Am
